

FROM THE PRINCIPAL'S DESK

As my tenure as Principal of this amazing school comes to a close, I wanted to take a moment to express my deep gratitude and appreciation for your unwavering support over the past seven years. It has been an absolute privilege to serve at the helm of this vibrant and dynamic community, and I am so proud of all that we have accomplished together.

From our top-notch academic programmes to our rich and diverse extracurricular offerings, our school truly stands out as a beacon of excellence in education. But it is not just our programmes that make us special. It is the people – the dedicated teachers, staff, and parents who work tirelessly to create a warm and welcoming environment where every student can thrive.

I have been continuously inspired by the passion and commitment that our parent community has demonstrated over the years. Your unwavering support for our school, our students, and our mission has truly made all the difference. Together, we have tackled challenges, celebrated successes, and built strong relationships that will endure long after my departure. Our children have achieved academic success, participated in countless extracurricular activities, and developed into confident and compassionate individuals.

As I prepare to move on, I am confident that this school will continue to flourish under the new leadership. The dedication and passion of the staff, the involvement of the parent community, and the potential of our students are a recipe for success. I know that under the guidance of our talented faculty and staff, and with the continued support of our dedicated parent community, our school will continue to thrive and grow, and our students will continue to achieve great things.

Thank you again for your trust, your support, and your partnership over these past seven years. It has been an honour and a privilege to serve as Principal, and I will carry the memories of our time together with me always.

CELEBRATION TIME

Today's little moments, become tomorrow's precious memories A memorable day!!!

Thank you Ms. Ranju Anand, Senior Vice President (Education), and Ms. Albertha Huyser, Principal and CEO GEMS Cambridge School for your very touching gesture.

BIDDING ADIEU! OUR BELOVED PRINCIPAL

Saying goodbye is never easy .. but what is special about this goodbye by the students and the teachers is that it was a celebration . Celebrating the wonderful memories that have been created at GMS with You Teresa Ma'am. You have led the school to great heights! A power house in every aspect .Have a blessed and wonderful future ahead. We will miss you ma'am!

SO LONG FAREWELL...

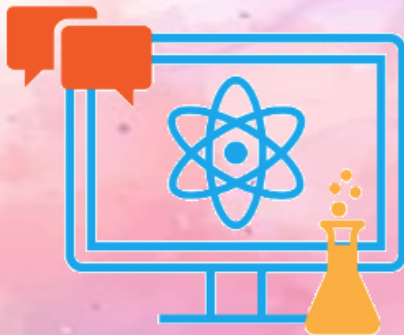

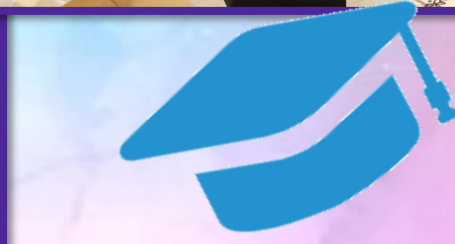

Dear Madhulika ma'am your warm smile will be missed in the corridors of GMS! The school is forever grateful to you for nurturing and guiding us to the path of success. God Bless you for the future ! You will be missed!

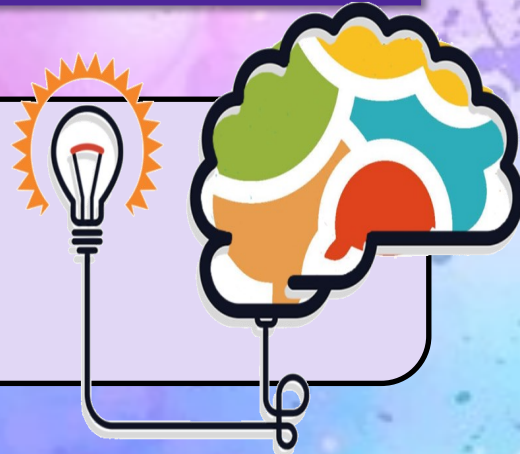

KG'S DAY OUT!

The students of PRE KG and KG1 went on a fieldtrip to Adventure Land! It was a very thrilling experience! It was an exhilarating adventure with friends and their teachers! The students and teachers had fun with exciting rides and even got their face painted! It truly was an AWESOME day and we are sure the children have made some wonderful memories!

"Develop a passion for learning. If you do, you will never cease to grow." - Anthony J. D 'Angelo
Exploring new possibilities with Xperimenter - Making Science fun and experiential at GMS!

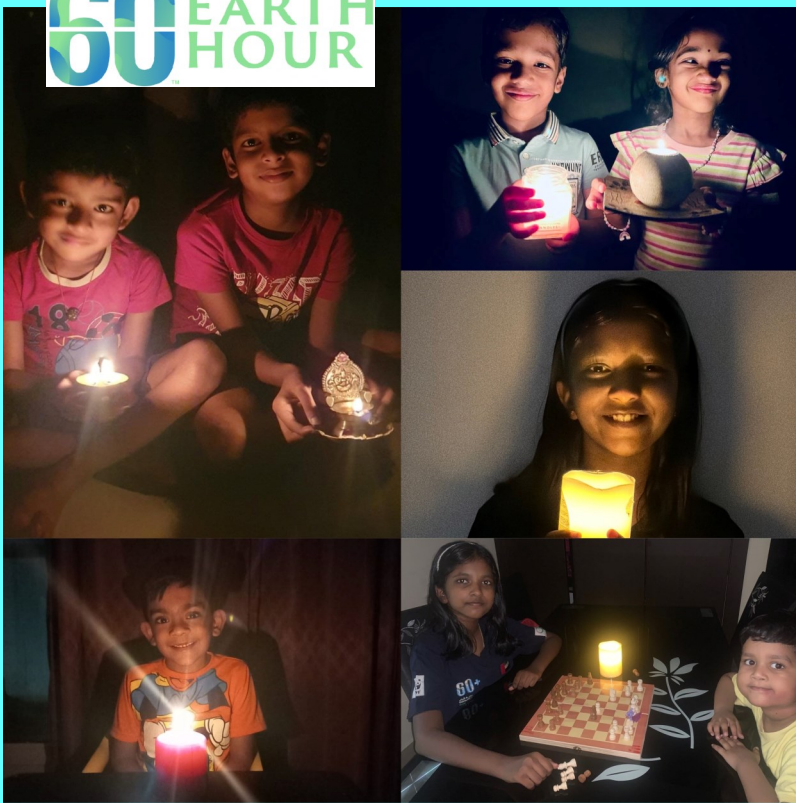

LITTLE ACHIEVERS!

Lauren Zeena Monis from Grade 1C, is an avid crafter and has been interested in arts and crafts since childhood. She likes thinking outside the box and letting her imagination run free while crafting. This will remain her favourite hobby and she will always strive to improve day after day. Well Done Lauren and keep creating magic!

60 EARTH HOUR

"Switching off for one hour can light up your future" Earth Hour is a global grass-roots movement encouraging individuals, businesses and governments around the world to take positive actions for the environment, and celebrating their commitment to the planet by switching off their lights for one designated hour. We are happy to share that our students celebrated 'Earth Hour' and showed their commitment towards our planet and contributed towards "Year of Sustainability". Great job to all our students!!

WATER IS PRECIOUS

World Water Day is an international observance day. The intention is to inspire people around the world to learn more about water-related issues and to take action to make a difference. As part of the World Water Day celebration, Skyline university conducted various competitions in collaboration with SEWA on March 16, 2023 at Al Majaz waterfront Park. Nivin George of KG2 won first runner up in the reel making competition and Nileena Mariam of Grade 5 won the article writing competition. Great job Nivin and Nileena!!!
