

## FROM THE PRINCIPAL'S DESK

***It is time to bring out our first newsletter for the academic year 2023-2024.***

***The year gone by, saw the school bask in the glory of its outstanding achievements and it ended on a very high note.***

***The new academic session promises to bring with it new opportunities and new challenges, and we are hopeful that our students will continue to demonstrate remarkable resilience, adaptability and commitment to learning. The highlight of the month of April was our prefect investiture and it was indeed an honour to see our young students don the mantle of leadership.***

***Skills of adaptability, teamwork, communication, decision making are all future focused and with new pedagogical practices our teachers have been using the right ingredients to power these skills in our students.***

***While we strive to maintain the high standards of academic excellence, we are conscious to promote the wellbeing and socio-emotional development of our students.***

***At GMS we value our partnership with parents. We invite you to be a part of our school programmes, assemblies and events and give us feedback for improvement.***

***The school calendar over the next month will see our students participate in the Qirat competition, Malakat At' Tabeer, Prize day and more. We encourage our students to participate wholeheartedly in these. Now is the time to seize the opportunity and thrive!***

# NEW BEGINNINGS

*We wish  
you  
all  
the  
Best*

"A new school year means new beginnings, new adventures, new friendships, and new challenges." — Denise Witmer

Together we can build upon the great legacy our dear Teresa Ma'am has left behind.

**Welcome to GMS, Lini Ma'am!!!!**

# GETTING TO KNOW THE TEAM

Principal met with the learning design team – HoDs and Assistant Supervisors who lead teaching and learning at GMS. Together the Team discussed the way forward and to set the tone for the new academic year. Teamwork make dreams work.

# OPEN HOUSE & ORIENTATION

The year is never complete without open house - a time to discuss and reflect on students' academic performance at the end of the term and plan for strategies going forward. Orientation was held for parents on the grade level expectations and students' readiness for the new academic year. Team GMS is looking forward to an exciting year ahead.

Welcome Back – On April 10 2023, GMS welcomed its students to the new academic session 2023-2024. The corridors and classrooms were buzzing with cheerful chatter and enthusiasm. The GMS family was excited to be back in school! Wishing students and teachers an exciting and fun filled year ahead!

**"You're off to great places. Today is your first day! Your mountain is waiting, so get on your way!" – Dr. Seuss**

# LET'S CATCH UP

**Grade  
10**

**SCHOOL  
ASSEMBLY**

**Grades  
5 to 8**

The purpose behind school assemblies is to bring the entire school community together for a shared experience. Assemblies provide an opportunity for students, teachers, and school leaders to gather in one place to communicate important information, celebrate achievements, and participate in activities that promote school spirit and community. School assemblies play an important role in fostering a sense of community and promoting a positive school culture.

**Grade  
1 to 4**

Holy month of Ramadan.

Students shared their  
thoughts on the same.

Reading Champions were  
felicitated for their  
achievements.

# WELCOME TO GMS - PRE KG

The first day of school for pre-kindergarten (pre-KG) is an exciting and important milestone for both parents and children. Students of grade 12 welcomed the tiny tots, making it a memorable day for them. Exciting activities were planned for the little ones and teachers were around to guide the parents while ensuring their little ones were comfortable in their new learning environment. A great start to their journey.

# ACADEMIC LAUREATE

Congratulations to our Academic Laureates! Your academic proficiency win is a testament to your intelligence, creativity, and perseverance. You have all proven that with focus and determination, anything is possible. This is just the beginning of many great achievements to come.
