

FROM THE PRINCIPAL'S DESK

It is exactly one month to the day since the school was inspected as part of SPEA's School Performance Review. We are still waiting for the formal report to be issued, to share the outcomes with you. Suffice it to say, that there was tremendous appreciation for the quality of teaching and learning across the school and across all subjects. There was also high praise for the many wonderful things that are happening in ALL of our learning spaces – the innovation labs, the sports field, the music rooms and even the corridors! High outcomes can never be achieved by a few isolated sparks of brilliance. It is only when high expectations are woven into the school's culture, is every day practice, and every single member of the school community performs at their very best, that the school can deliver excellence.

Over the 4 days of Review, more than 220 lessons were observed by a team of 9 reviewers. There was a great deal of focus on Arabic, Islamic, the National Agenda Parameters, KG provision and innovation in lessons. Some of our teachers were observed as many as 11 times to quality assure ratings. There was very close scrutiny of assessment and benchmarking data – attainment and progress made by individual and groups of students; the proportion of students taking the prescribed benchmarking tests; the school's performance in TIMSS, PISA, CBSE and other external examinations. The team looked at our teachers' ability to use data in lessons, and the competence of Middle and Senior Leaders' in driving school improvement. There were surveys and interviews with the governors, parents, students, teachers and subject teams. The teachers' energy, passion and enthusiasm was noticed, appreciated and applauded. Lesson planning was beyond reproach, and as always, our students did us very proud.

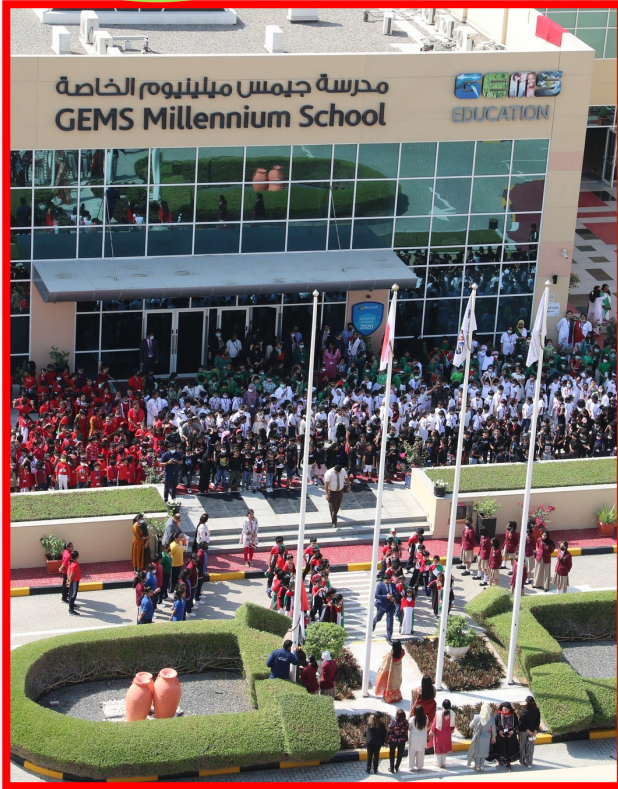

I extend my heartfelt gratitude to every member of our parent community for the solid support that we have received from you. Our SPEA and GEMS Parent Survey results indicate extremely high levels of satisfaction from over 90% of respondents. A few parents have asked the Supervisor if a high Parent Survey score or a high review rating will result in a fee increase. Please be rest assured that these ratings will not have a bearing on the tuition fees. The School tuition fees for AY 2023-2024 will remain the same as for this academic year. I do want to point out that there has been no tuition fee increase since 2016.

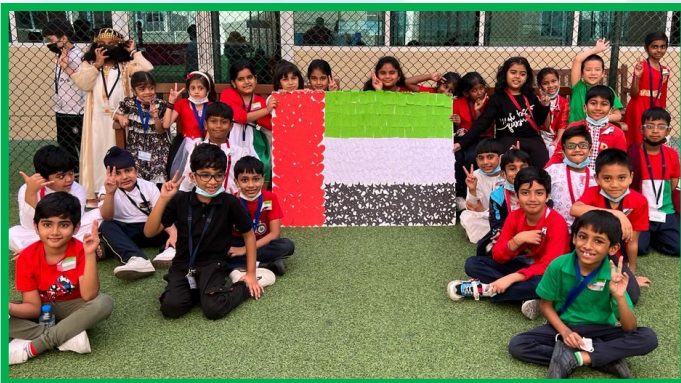

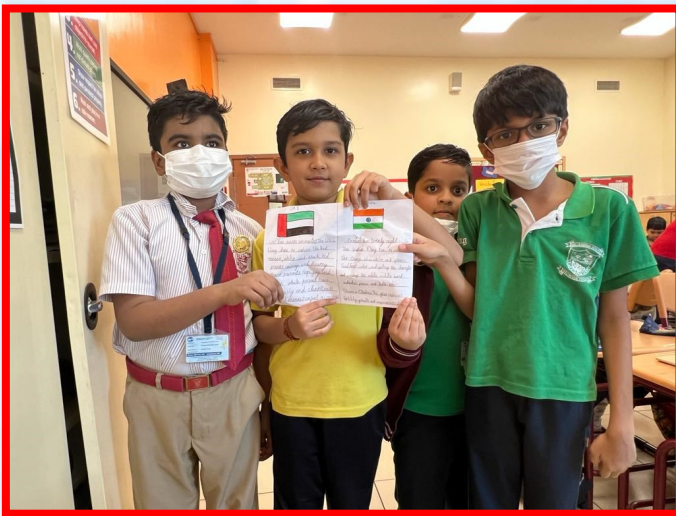

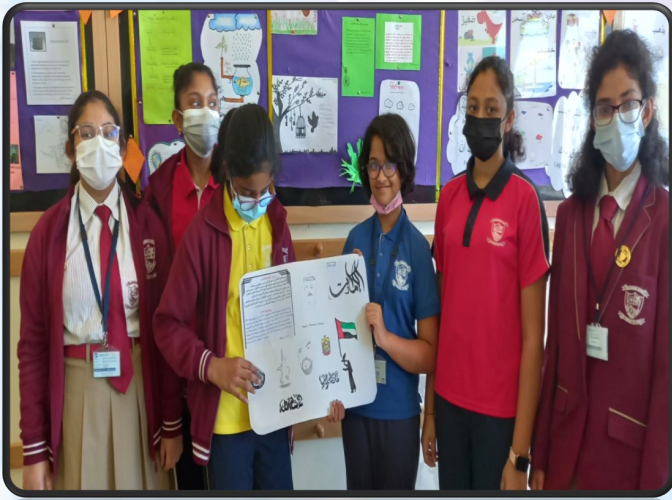

For parents who have not completed the Parent Survey, please to take a few minutes to complete it. The survey is based on a scale of 1-10. A score of 9 or 10 is recorded as a positive score, with the parent being a 'Promoter'. Unfortunately, any score below 9 is not regarded as a positive score.

Do enjoy the recognition and celebration of students and staff as detailed in the Newsletter. With each accomplishment or performance, please consider the effort and commitment that led to these examples of success.

UAE FLAG DAY CELEBRATIONS

"The UAE flag is the symbol of our unity and strength. It will remain high and proud, from which we will continue to draw the values of sacrifice, building and action." - HH Sheikh Mohamed bin Zayed Al Nahyan, Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces.

SHARJAH INTERNATIONAL BOOK FAIR

Students of GEMS Millennium School presented an entertaining performance on "A story of cultures" at the Sharjah International Book Fair 2022 on Friday, November 4th 2022. The event was organised by SPEA, which gave our students the opportunity to present information about the rich culture and history of Sharjah. The event began with an introduction to Sharjah's culture in Arabic, followed by an English translation. The event continued with a delightful Nasheed, an informative talk on various cultural places and theatrical events, spectacular traditional dance performances, an entertaining skit on "Sharjah: The Cultural Pride Of The Emirates", and an interactive quiz. A recitation of an Arabic poem concluded the event. It was indeed a visual treat and a proud moment for the parents and the audience as it provided the perfect opportunity to experience and learn about the various aspects of the rich cultural heritage of Sharjah.

KG-FASHION FIESTA

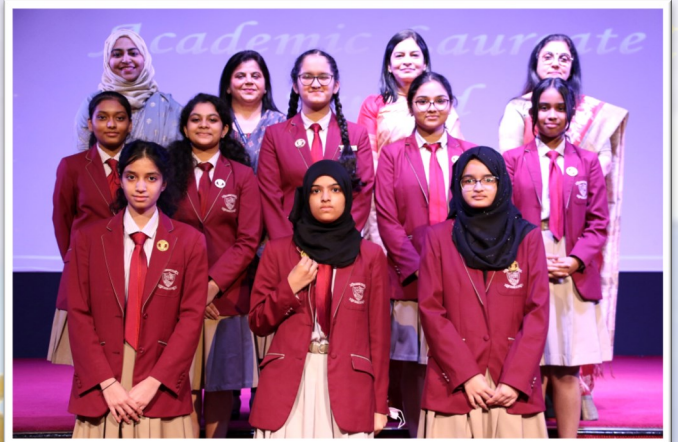

“Fashion has always been a repetition of ideas, but what makes it new is the way you put it together.” - Carolina Herrera

Kindergarten is a place where any theme gets enhanced with the ‘cuteness’ factor. You read it right! It was a moment of absolute delight, when parents and grandparents gathered in GEMS Millennium School, Sharjah, to showcase and witness their little ones, in radiant and stunning costumes that reflected **‘My Favourite Rhyme’** for the tiny tots of Pre KG, **‘Disney Characters’** for the students of KG1 and **‘Famous Personalities from The Islamic World’** for the students of KG2. The little ones enthralled the audience as they walked down the ramp with a purpose and spoke about their character with confidence. The judges were amazed to see the confidence and poise in the children. It was a moment of joy and pride for all of us to see the enthusiasm and sparkle in the eyes of the little Kindergarteners as they performed.

ACADEMIC LAUREATE

It's time to celebrate all the hard work that led to this joyful occasion.
Congratulations to all the Academic Laureate Badge winners for the year

“Appearing for the CBSE exams after two years and getting such outstanding results is phenomenal! GEMS schools have wellbeing woven into the fabric of daily life and it comes as no surprise that our students have thrived, demonstrated resilience and determination, and done so well. Kudos to our teachers, leadership teams and parents for the strategic planning and support. Indeed, it's time to celebrate our children's exceptional achievement!”

NARGISH KHAMBATTA

Vice President - Education, GEMS Education

“Our CBSE pupils have once again overcome all odds and diverse circumstances to produce brilliant results. Their tenacity, coupled with the detailed preparation by their teachers, has not gone unrewarded. Needless to say, their parents are both thrilled and relieved. Congratulations to our pupils, staff and parent community!”

Art is a form, a medium divine,
Touched by life, forever to shine
From the mist of the past, to the present-day times
Art is an expression, yours, or mine!
An experience, an emprise,
A situation, or compromise
Our lives, it entwines, you accept or decline!
The power it beholds, we cannot undermine,
As a catalyst of change, its significance is prime.
Be it bold or subtle, or sheer sublime,
Impressions it forms, do stay in our minds.
The future is bright, its positive and fine!
For we all know that art, will surely define,
It's a source of enlightenment, for the future we pined,
Of success, of gloryof abundant sunshine! **YT**
