

YOU HAVE ARRIVED AT AN OUTSTANDING SCHOOL!

***FROM THE PRINCIPAL'S DESK***

Dear Parents,

It is with enormous pleasure that I write to share the fantastic news that our school has been rated '**Outstanding**' by the Sharjah Private Education Authority (SPEA) in the recent School Performance Review making ours the first school in Sharjah and the ONLY CBSE school in the UAE to be rated so.

I am delighted that the Review Team has recognised all the excellent work going on here at GMS and what a 'special place' the school truly is (yes, they actually used that phrase!).

The report also recognised the school's strong roots in the community and how we work hard to make students and the wider community feel part of everything we do – as one student described it to the reviewers, we are truly "one big family".

We could not have achieved this without your support and I would like to take this opportunity to thank you, our amazing students and our dedicated staff for their hard work and commitment, which has helped to make GMS such an amazing place to learn, work and succeed.

The report highlights many key strengths of our school. Some areas that make us very proud include:

## PERFORMANCE STANDARD 1: STUDENTS' ACHIEVEMENT

## SUMMARY OF REVIEW FINDINGS

These findings draw from our team of 6 reviewers' 180 lesson observations, 71 of which were carried out jointly with school leaders.

### SUMMARY OF THE OVERALL PERFORMANCE OF THE SCHOOL:

The school's overall effectiveness is Outstanding. This is a significant improvement since the previous review in May 2019. Students' achievements are very good in Arabic-medium subjects and outstanding in English-medium subjects. Teaching is outstanding overall; teachers make very effective use of questioning and assessment. The curriculum is highly modified, and the school is inclusive of all students. Strong leadership has resulted in highly accurate self-evaluation and improvement planning. The learning environment is exceptionally well developed, with plentiful specialist resources, including the availability of learning technologies for teachers and students.

### KEY AREAS OF STRENGTH:

- Students' achievement in English-medium subjects.
- Students' appreciation of the role and values of Islam in UAE society.
- Students' very effective use of technology and learning skills.
- Teaching strategies and creative lesson planning which are successfully embedded across the school.
- Teachers' effective use of extensive assessment data and analysis to inform curriculum and students' progress.
- The planning of innovative cross-curricular links.
- Opportunities for an extensive choice of subjects to enhance all students' learning, including those with SEN.
- The provision of an excellent physical environment that meets the students' learning needs.
- Students' exemplary behaviour and attitudes to learning, and their relationships with staff.
- Leaders at all levels demonstrate comprehensive knowledge of the curriculum and best practices in teaching, learning and assessment
- School leaders strive for sustained school improvement.
- The governing board systematically and very effectively monitors the school's performance, and students' achievements and personal development.

### KEY AREAS FOR IMPROVEMENT:

- Students' achievement in Arabic language, particularly in extended writing skills.
- Students' achievement in Islamic Education particularly in Tajweed (reciting) skills.

School Performance Review of Gems Millennium School  
17-20 October, 2022

A full copy of the report from SPEA will be made available on our website shortly.

I am extremely proud of everything that we have been able to achieve here at GMS. And, with your help, as always, I look forward to the school continuing on its strong upward trajectory. We pledge to continue to help all our students fulfill their potential and to inspire the wider community.

May the closeness of your loved ones, family, and friends fill your heart with joy this holiday season. Happy New Year! Here's to making more cherished memories in 2023!

With every good wish,  
Teresa Varman

The school hosted the '**GMS Carnival**' to celebrate Children's Day on November 14, 2022. It was a day of fun and excitement for students and their families. We had over 50 exciting stalls including games stalls, bouncing castle, henna designing, face painting and many food stalls. It was indeed a fun filled event!

# CHORAL RECITATION

Choral Recitation and singing brings children together and encourages them to work as team. The Kindergarten section had their Inter-Class Choral Recitation and Singing Competition on Thursday, November 10, 2022. Each class put forward a poem and a song. They enthralled the audience with their recitation, singing and cute expressions. It was indeed a spectacular performance and a treat to watch the little ones.

### **“Theatre was created to tell the truth about life”**

Our Inter-Class Theatre Competition ‘Qisas Al Anbiyaa’ for students of Grades 3 and 4 was held on Thursday, November 24, 2022. The stage was set and the curtains were drawn! The children showcased some amazing talent! Through song and drama, children depicted many life lessons leaving the audience mesmerized.

**A MAGICAL DAY INDEED!**

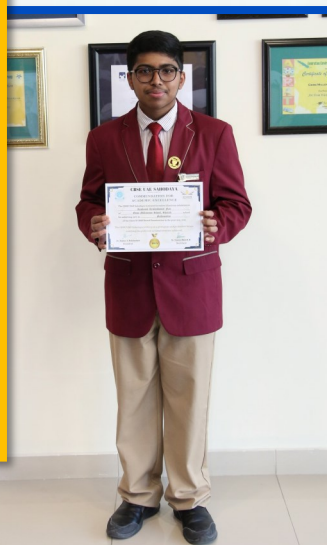

# CHILDHOOD THON 4

The Early Intervention Center, affiliated with Sharjah City for Humanitarian Services, organized different activities for students from different schools at Sharjah Flag Island under the slogan: "Golden Hours - 43800" on November 17, 2022. The programme was named 'Childhood Thon 4'. The aim of the programme was to create awareness among students about the needs of their peers with disabilities. Primary students from GMS attended the programme and participated in the marathon.

# REACH FOR THE STARS!

We are proud to announce the felicitation of our subject toppers with a perfect score of 100 in the Grade 10 Board Examination 2021-2022 by UAE Sahodaya School Complex on November 5, 2022.

We are pleased to announce that three teams from GMS competed with schools across Sharjah in the coding competition 'Code Battle' organized by the American University of Sharjah. The Junior team bagged the **First Place** and will now compete with other schools in the National Level - Code Battle event in the month of February 2023. Bravo team GMS and a massive shout-out to the Innovation Department!!!!

Safeguarding of children and adults is an inherent culture in the GEMS group. Regular meetings and training sessions are conducted to keep the staff abreast and updated with policies and training sessions that enable them to identify and handle situations to keep children safe under their care.

The Annual Safeguarding Forum was hosted at GEMS Millennium School, Sharjah on Tuesday, November 8, 2022. The Central Safeguarding led by Mrs. Sara Hedger conducted a session for all the Designated Safeguarding Leads from all the different GEMS schools. The sessions was thought provoking and insightful.
