The award was established by GEMS Education in 2005, in honour of Her Highness Sheikha Fatima Bint Mubarak, wife of the late President His Highness Sheikh Zayed Bin Sultan Al Nahyan for her contribution to the empowerment of UAE women.

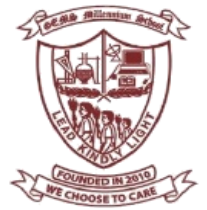

The award highlights Her Highness Sheikha Fatima Bint Mubarak's role as mother of the nation, and her vision to celebrate and support women's achievements and self-determination.

The award celebrates female students who have proven themselves as global citizens, exhibited outstanding leadership qualities, exceptional academic achievements, and commitment to the communities in which they live.

The individual award winners become ambassadors for both their schools and GEMS. The students undertake media interviews and talk to other students about their experience in order to inspire others to emulate their achievement. The award increases both the confidence and character of these young talented women who find themselves being celebrated by making a positive contribution to society.
