Circular to Parents (Pre-KG to Grade 12)

CTP/2440/ Tuesday, February 20, 2024

Dear Parent,

Subject: Revised school fees for GEMS Millennium School – Sharjah 2024-25

We trust you and your families are well.

As GEMS Millennium School – Sharjah continues its journey of academic excellence, we would like to express our gratitude for your unwavering support in helping us foster a flourishing educational environment at the school.

I am delighted to inform you that GMS has received the prestigious and coveted Sharjah Award for Academic Excellence for 2023-2024. Do join us in celebrating this wonderful achievement.

This follows GMS becoming the only school in the Emirate of Sharjah, and the **only** CBSE school in the UAE, to be awarded an 'Outstanding' rating by the Sharjah Private Education Authority (SPEA).

We are committed to providing the highest quality education, maintaining, and building on the all-round drive for excellence that makes GMS such a distinguished and highly regarded institution throughout Sharjah and the wider UAE.

I would like you to note that historically we have not charged the approved fee structure by the Ministry of Education (MoE) and parents have enjoyed lower fees for several years now.

However, after careful consideration, we have decided to increase the school fees within the range of AED 57 to AED 121 per month. The fee details for the academic year 2024-25 are given below and you will notice that despite the increase, it still falls below the MoE-approved fee structure.
